Dear Fremont Parent,

Welcome to the 2011-2012 school year!

At the beginning of each school year, PAC (Parents And Community for Fremont) springs to action and gathers the bulk of the donations that are used to fund various programs and events at Fremont including: the computer lab and its instructor; the annual Gold Rush Days; field trips; the choral program; and numerous supplies and activities that benefit every child at Fremont.

This past summer, the PAC board voted to allocate \$78,000 toward the purchase of document readers and projectors for EVERY classroom! This huge purchase was funded 100% by donations to PAC. In the near future, we are proposing to purchase SMART Boards and iMac Pro laptops to enable our students and teachers to keep pace with advancing technology.

In years past, PAC has received its funding from an average of 150 families out of the over 400 families at Fremont. This year, we are asking, and anticipating, 100% PARTICIPATION from every family at Fremont. No donation is too small – consider this; if every family donated just \$10 per month during the school year, we would be able to raise \$36,000!

That amount, \$36,000, is our fund raising goal this year. Last year, 150 Fremont families donated in excess of \$30,000. Think what we can do with 100% PARTICIPATION!

We have enclosed a “Fact Sheet” and Statement of Intent along with the commitment envelope. Please help us meet our 100% PARTICIPATION goal! Do not hesitate to contact any one of us with questions, concerns or ideas.

Thank you for your support!
