

# PAC PARENTS AND COMMUNITY FOR FREMONT

## HOW CAN YOU HELP?

**100% Participation** from Fremont Families by **Supporting** the Annual Campaign.

Direct support from Fremont families has been the source for more than a third of the money PAC raises each year for essential programs and technology. This year, our goal is 100% Participation!

## WHAT'S PAC DOING FOR FREMONT?

Pac is a non-profit organization established in 1995 by Fremont parents and community members to raise money for Fremont Elementary School. Its mission is to provide resources that will enhance the learning environment and education of the students at our school. We work with teachers and administrators to identify and fund school needs, which helps close the ever-widening budget gap our schools face each year.

**Join us to reach our goal of  
100% PARTICIPATION!**
