

PAC

PARENTS AND COMMUNITY FOR FREMONT

Dear Friends and Fellow Fremont Parents,

Linda and I relocated to LA from Berkeley six years ago. At the suggestion of a friend we ended up moving into the Montrose area of Glendale. We felt so fortunate because the neighborhood more than lived up to our expectations as we discovered all the great amenities nearby. As all of us know, it's perfect place to raise a family because of its "Mayberry in America" qualities. Topping the list of desirable features for us was

Fremont Elementary. We learned it has long been known as one of the gems in the GUSD system, and with two young daughters about to start kindergarten we felt we had hit the sweet spot as we settled into our new lives in Glendale. We are entering our fifth year at Fremont with our girls now in second and fourth grade. We have become friends with the teachers, administrators and many of the families who we met through our kids being in school together. Along the way we also got involved in

supporting PAC. PAC's mission is to provide resources that will enhance the learning environment and education of the students at Fremont. It's the way that we as Fremont families all work together to assure that our wonderful school has the additional resources it needs to give our kids a high quality education. The state budget is a mess and GUSD no longer has the resources to pay for all the things we might expect them to. So this is where the opportunity comes for all of us to add support. We hope you will join us in adding your contribution to PAC's Annual Campaign—it's truly about assuring the best future for our kids!
