

PAC PARENTS AND COMMUNITY FOR FREMONT

Dear Friends and Fellow Fremont Parents,

My wife and I moved to Sparr Heights from Glendale's north central area nine years ago. As a local Realtor and new parent, I knew that this would be a great area to grow our family. We have not been disappointed and have lived here happily. We are thankful to make this our home. We love our neighborhood and with two young daughters, we especially love John C. Fremont Elementary. As with any great blessing, we understand there are also responsibilities that go along with privilege. We volunteer our time to the school, and we support PAC. Investing in PAC enhances the education our kids receive at Fremont. It is also another way that we can work together with other families to maintain and improve our school. As local Realtors, I also know that a great local school contributes strongly to property values and quality of life. We hope that you will join us adding your contribution to PAC's campaign. Remember is about the kids but is also an investment in our neighborhood!
