

PAC PARENTS AND COMMUNITY FOR FREMONT

We have six sisters in our family and three of us (Ann, Nancy and Janet) have four children (Justin, Sierra, Joshua and Rachel) attending Fremont. A fifth, Kaitlyn, graduated last June. A sixth, Jackson will be a kindergartener next fall. All six sisters grew up in a public school system. We know how important parent involvement is for the school's success. And we know firsthand what it takes to run a big household on a tight budget. It takes collective effort, shared goals and teamwork. Through teamwork, we learned early on that everyone benefits from the contributions of each.

Our children spend a considerable amount of time at Fremont. It is like a second home to our children and like any home, it needs maintenance, upkeep and occasional upgrades.

Especially now, with state-wide budget cuts, Fremont can really use all of our help in providing the resources our "second home" needs to maintain its level of success. Our children are cared for and educated by people who care to go the extra mile for them every day—and do it with limited resources. Our computer lab, our

technology on campus, books in our school library, special grants and much-needed requested classroom supplies are funded by PAC. PAC's funding is not accrued. It does not come from a few big donors. It is not someone else's responsibility. PAC funding is vital for Fremont to keep doing what it does so splendidly--help educate our children to be wonderful students and citizens. And our support of PAC goes directly to our children! What better investment is out there than that? 100% return! Every hard-earned dollar that we donate to PAC helps Fremont pave a successful future for our children. We are so proud that PAC has exceeded its 2009 annual goal. Don't miss being a part of that success. Please join us making by a gift of any amount. Thank you Fremont parents and congratulations PAC on a successful 2009 annual campaign!

Thank you from the Kims, Parks and Greningers
